

Please keep donating - Donors needed Sheffield Park Hotel 20.10.20

We are working with the rest of the NHS to keep supplying lifesaving blood to hospitals during the coronavirus pandemic.

We have extra safety measures in place and travel to donate blood is essential for the NHS.

Our sessions and centres are open and our staff are taking special measures to provide a clean and safe space for you to donate.

Please note, if you come with someone who is not donating they will have to wait outside. We therefore ask that you do not bring children to session at this time.

As normal please only attend our sessions if you have an appointment.
