Supporting our Parish Outreach partners this autumn

Our parish Outreach initiative – established in 1974 - supports projects helping people in need, in Sheffield and around the world, through the work of our Outreach partner organisations.

Our Outreach partners are largely organisations with which members of the parish have - or have had - some connection either personally or through family or friends. Our partners help raise our awareness, pray for us and give us the opportunity to put our faith into action. Details of our current Outreach partners are in the centre pages of this leaflet.

Since the start of 2021, the parish has distributed over **£33,000** - which includes a generous legacy from a deceased parishioner in 2023 - to support the work of our Outreach partners. (Not to mention gifts donated in kind in our themed collections in Lent and Advent and the once-a-month food collections for St Wilfrid's Centre and Grace Food Bank.)

The various ways in which you can support the year-round Outreach fundraising programme are listed on the back of this leaflet. And, with autumn now well upon us, we are launching our traditional fundraising raffle, which will be drawn at the pre-Christmas 'Coffee, Cakes and Crafts' event in the Parish Rooms between and after Masses on Sunday 23rd November.

In asking for your support for these events we recognise the pressures of the exceptional cost-of-living crisis for so many of us in Sheffield this autumn. When considering how you are able to support our appeal, please pray for our partners and remember that the organisations that we help are often supporting people in the most serious poverty.
